# Varsity Football "Didn't"

This year's Varsity Football team just didn't put it all together, going for only one win-over Oregon City. It was homecoming, and a great game, with a score of 21 to 20 at the ending horn.

Head Coach Gary Hertzog commented, "It seems to take the team half a game until they started to play; if you would take the nine games in the first half we would have been 1-9, but in the second half we would have been 7-2." Outstanding performers for this year's team were Kevin Bobillot, and Skip Doty at running backs, and Craig Rogers, Allen Folk, Lee Holland, and Doug Ware to support on the line offensively and defensively, with Rick Guidos, Mark Sagin, and Doug Perrin the defensive back field, and to hold up that defensive team was Mike Price and Bob Bailey at linebackers.

# J.V. Football Talented

The junior varsity football team had a very successful season. They ended with a 5-4 record. Coaches Clark Hoss and Eugene Davis used some college tactics for some of their plays. They had eleven players on offense and eleven different players on defense. Still other players were on a special team.

The j.v. football team was very spirited, and they will be a good asset for next year's varsity squad. They had a lot of talent on their team, and they also had a lot of knowledge of football. The only thing holding them back before each game was getting ready mentally. "This group of sophomores has a lot of potential," commented Coach Hoss.

Glen Doty and David Morris made 10 touchdowns, Marty Asch made 3, and Jeff Sara made 1.

# Frosh Football:

# Philosophical

"Winners make commitments, and losers make promises. We commit ourselves to win." These were the sentiments of the freshman football team. Head Coach Darrell Greenlee made this statement about his team, "we don't have a very big team, but we make up for it with a good attitude, team spirit, quickness, and agility."

Outstanding players included quarterback Jerry Johnson, who led the aggressive passing attack, averaging one to two touch downs a game. According to coach Greenlee, David Franzen, Steve Potter, and Bill Smith were outstanding backfield players. Holding up the line were Jeff Sparks, Nick Hamel, Jeff Clark, and Chuck Loney. The Green team put together an impressive record of six wins and one loss. The Gold team was right behind with a six win, no loss, and one tie record.

# Homecoming Swings

To start the exciting Homecoming week we had a powderpuff assembly for the junior and senior girls. It was the most fantastic pep assembly. The powderpuff game got off to a bang that night at 7:30 p.m. Also, on this Monday was "red, white and blue day." This involved the whole school with many people wearing a Bicentennial outfit. On Tuesday we all took a hike to the gym for an innertube race competition between the classes. Seniors proved who was more coordinated by winning. Wednesday was "tee-shirt and hat day," mostly for seniors to wear their grubbies, but some underclassmen did join in. Thursday concluded the competitions with a weigh-in of all classes. Again seniors took the day, weighing in at 9,117 pounds. Friday began with the annual exchange pep assembly with Oregon City. The game that night was great with our football team winning 21-20. An after-game dance with "Pinch" providing the tunes concluded an overall electrifying finale of Homecoming week!

# Juniors Upset Powderpuff

This year's annual powderpuff football game was unique because for the first time in history the juniors beat the seniors.

"Our team astounded them," stated Junior Coach Terry Pollreisz. "We won because of our superior RAZZ-MA-TAZZ!"

The juniors were confident from the very start. They scored their first touchdown in the first quarter. Then after the seniors held them down for the next two, the juniors came back to bring up the score in the fourth quarter, wrapping up the game, and defeating the seniors. The single most important play was junior Debbie Ware's interception of a pass thrown by senior Kim Hackenberger.

# Varsity Cross Country Adjusts

The varsity cross country team had to adjust to a new coach this year, and ended the season with an unimpressive record of 3 wins and 10 losses. The new coach was Chris Baumgartner, and the team was made up of two seniors, five juniors, and one sophomore.

The outstanding runners were John Teters, Eric Holstrom, and Ron Poole. In the coach's opinion, the most improved runner was John Teters, and the most significant meet was at Blue Lake, where the team placed ahead of Gresham and the members turned in some of their best times.

The team placed 9th at District, beating two teams it had previously lost to. When the season was over, the coach treated the boys to a spaghetti feed at his house, and commented, "I think the team did a super job of adjusting to me...We worked very well together."

# JV CC Looks for Win

The junior varsity cross country team had a hard time finding a win this season. The team's record for the year was two wins and 11 defeats. The Lions placed eighth out of 14 teams at the district meet, held early in November at Pier Park. Even though the team did not win many meets this year Coach Chris Baumgartner was still pleased with their attitude.

The team's best runners according to Coach Baumgartner were Steve Sayre and Mark Simnitt. 75 junior varsity runners participated in the district meet. Sayre got 26th in the district meet while Simnitt pulled out in 39th place.

When the coach was asked to comment on the team's performance, he stated, "Cross country runners are like leaves in the fall. Some turn a shimmering gold while others dry up and blow away."

# Frosh CC Place Third

The freshmen cross country team had an outstanding season with a record of 11 wins and only one defeat. The team came in third out of 14 schools at the district meet.

Much credit for the record goes to Jim Allen and Greg Wilson. Allen placed first in the district competition. Greg Wilson, another superlative runner, placed 11th in the same race. Allen and Wilson have been competing against each other the entire season.

Allen was beaten only four times during the season and three of his losses were victories for Greg Wilson. These two, plus the other eight members of the team, worked together to produce a winning freshmen team.

ABOVE: Frosh runners, full of determination, get ready to take their opponents.

# Varsity Volleyball Spirited

The hard-working varsity volleyball team developed a 10-6 win-loss record. A big part of this group of girls consisted of five outstanding seniors: Pam Steinkamp, Karen Zauner, Laurie O'Hogan, Kathy Cornelius, and Lauranna Phillipson. Volleyball I received a final standing of fourth place with a 6-6 record in the Willamette Division. Coach Lucille Grunst stated that, "there are some fairly good prospects for next year because four juniors and one sophomore are returning along with the sophomores on the J.V. team."

At the end of the season, Jill Buse was named to The Wilco All-Star Team. This is an honorable title for a junior to receive.

# J.V. Team Has Great Season

The junior varsity volleyballers this year had an excellent win-loss record of 14-2, losing to Tigard and Clackamas. During the Mollala Invitational Tournament, the girls placed second out of eight schools competing. Five outstanding players begin with Denise Tylman in her first year as a great all-around player. Jean Miken is the strong server on the team. Brenda Powell is the best in spiking and defense. Teresa Emfinger and Jamie Phillips are both outstanding all-around. "With the experience that varsity had this year, the up-coming J.V. players should be a good nucleus for a team," is what Coach Grunst had to say for her group of J.V. girls.

ABOVE: Jean Miken attempts to return the ball as Denise Tylman and Teresa Emfinger are ready and waiting to assist.

# Frosh Volleyball Team Learns About Teamwork

1976 proved to be a trying year for the frosh volleyball team. The girls started the season with bad luck-losses against Sam Barlow and Clackamas. Though they played with determination, they finished the season with a 5-6 win-loss record. "The girls learned a lot about teamwork, and they did their best," commented Coach Pat Kahle.

The most outstanding player was Julie Elmore, according to Coach Kahle.

TOP: Pauline Ek prepares to bump the ball while Julie Elmore waits to assist. ABOVE: FROSH VOLLEYBALL TEAM: FRONT ROW: Julie Elmore, Carolyn Schleiss, Delores Ware, Melanee Logan. BACK ROW: Coach Pat Kahle, Julie Fisher, Cindy Sprague, Pauline Ek, Diane Howard. RIGHT: Carolyn Schleiss sets the ball up for team mate Roxanne Oetken.

# School Records Broken

1976 was a year for breaking old records and setting new ones. After winning the first meet of the season by outscoring Lebanon, we set a new school record of 85.76 in a meet against Clackamas. In a meet against Lakeridge Rob Freels broke a school record in vaulting with a score of 8.30.

In floor exercises both Dan Flamm and Rob Petit broke the school record with a score of 6.4. Dave Morris broke a new school record, placing first on the high bar with a score of 5.10, while Freels broke another school record on the parallel bars with a score of 5.9. On the rings, David Wridge broke a new school record of 6.7 and Rob Farley broke a new team record with an all-around score of 32.7.

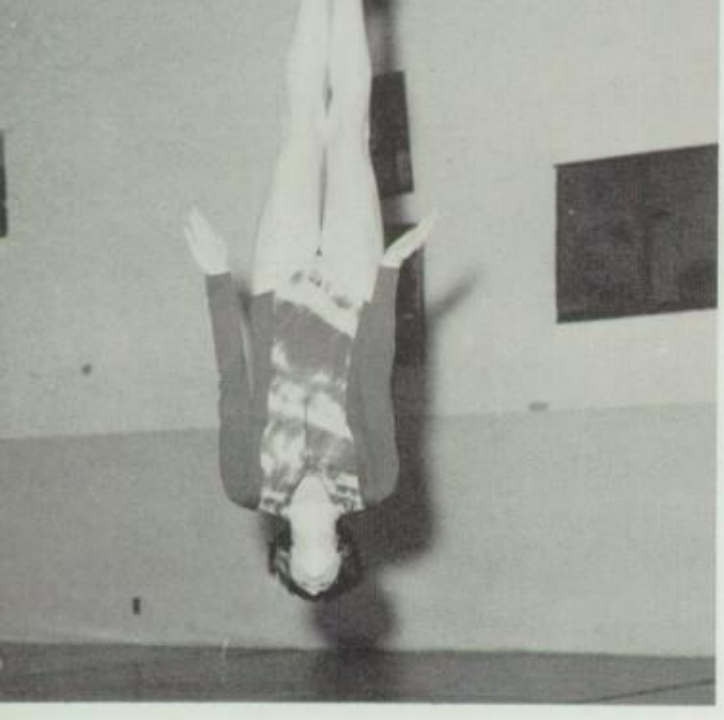
Coach Bob Grant commented that Dave Morris was one of the hardest workers.

ABOVE: BOYS' GYMNASTICS TEAM: FRONT ROW: Mark Krellwitz, Rob Petit, Dan Flamm, Bill Holden, Dave Morris, and John Thomas. BACK ROW: Dave Grant, Dave Wridge, Ken Pepperling, Andy Reynolds, Justus Mills, and Coach Bob Grant.

# Girls' Gymnastics Improves

The girls' varsity gymnastics team improved greatly over last year, posting a record of four wins and five losses. Senior Leann Schwabauer led the team, setting team records on the balance beam, floor exercizes, vaulting, uneven bars, and the all-around competition. At the district meet Leann qualified for state where she placed a respectable 28th out of 50 of the state's finest gymnasts in the floor exercizes.

"Even though next year's team will be young," says Coach Pepper Mensing, "we have more potential than ever. The team won't have one outstanding gymnast like Leann, but more depth will make for better team scores."



TOP: Girls' varsity gymnastics team: FRONT ROW: Debbie Webster, Leann Schwabauer. ROW TWO: Kim Carroll, Ann Reynolds, Linden McGreevy, Karla Putman. BOTTOM: April Thurber, hampered by a broken arm early in the season, practices on the balance beam while Trish McDonald looks on.

# J.V. Gymnastics Promising

The J.V. gymnastics team had no official meets this year, but many promising girls were on the squad.

Team captain Vickie Maxwell headed a roster which consisted of nine freshmen. The young team reflected the hopes of Coach Pepper Mensing for an outstanding gymnastics program in future years.

"Next year we plan to have a full competitive schedule, "says Mensing." We will compete against other J.V. and weaker varsity teams. We have a lot of very promising girls, and I'm looking forward to a lot of progress from them next year."

# Fall Activities Fun Filled

Involvement this fall was most exciting, filling the season with goals and achievements. Enrollment reached an all-time high with a total of 1027 students. Enthusiasm for activities was high among students.

In sports this fall, football played the major part. Having pep assemblies often gave spirit to both students and teachers. Students were also involved in other activities such as speech, drama, music, cross country, and gymnastics.

One special highlight was the group Jet during an assembly. Later Jet held a dance after a football game.

Overall, it has certainly been a funfilled fall for the mighty West Linn Lions.

# Dessert Honors Fall Athletes

Over ninety members of the Varsity football, cross country, gymnastics and volleyball teams were honored at the fall sports dessert held in the cafeteria on Tuesday, November 16, 1976.

Many athletes received awards. In football, Skip Doty was given the award for the most valuable player, Bob Bailey received the Bernie Herman award for the most inspirational player and Mark Sagin was recognized as the most improved player.

The dessert was considered a great success by the 230 people attending.

# Lions Stress Teamwork

Teamwork was the key to the Lions' season. Having no single outstanding player, the team was forced to play aggressive defense and work together on offense.

Inexperienced, undersized, and overrated, the Lions still managed to win 20 games and a berth in the Wilco league play offs for the seventh year in a row.

Rated fifth in the state, the Lions, with seniors Kevin Bobillot, Chris Hamel, Jay Dungey, Rob Parker and junior Randy Reed making up the starting five, took on Lake Oswego for the league title. The Lions tied the Lakers in regulation play, but lost by three in overtime.

West Linn then played Milwaukie for the second place berth in the state tournament. Questionable officiating plus discourteous behavior by the Milwaukie fans, band and bench made it almost impossible for the Lions to win. Milwaukie won 43-47, and West Linn was out of the tourney for the second time in seven years. The season was over.

# J.V. Posts Best Season

The junior varsity basketball team had an extremely rewarding season as they posted an impressive 19-2 record. The 19-2 record ties the best record for a j.v. team that Coach Don Smith has coached. The leading scorers for this year's team were Mike Buth and Jeff Menath. Dirk Ellsworth finished second to Buth in rebounding, assists, and field goal percentages. Steve Goins and Glen Doty were the best defensive players. Coach Smith commented that the team has tremendous potential for being winners on the varsity level.

# Frosh Uphold Tradition

The Freshmen basketball teams of 1976-77 upheld the West Linn tradition of good frosh teams with records to prove it. As always the talent was equally divided between the Green and Gold teams, and both were very good.

The Green team, which was coached by Ron Becker, had a 13-2 season record, and was very good with the ball. Coach Becker stated that the team was very strong on offense, and "one of the best...I have ever coached."

The Gold team, coached by Darrell Greenlee, pulled a 12-4 win-loss record. It was a well-balanced team with a lot of spirit. Coach Greenlee said, "The boys were faithful and dependable, and I enjoyed coaching them."

Both teams worked very hard on defense and improved considerably during the season.

# Varsity Girls Post 12-10 Record

In the girls' third season they did really well. Their win/loss record for the season was 12 wins and 10 losses. In league play their record was seven wins and five losses.

The varsity girls' basketball team had four outstanding players. They were Debbie Ware, Jill Buse, Lynnette Holdahl, and Tracy Helser. Ware accumulated 404 points in 22 games of season play. Her average was 18.4 points per game.

Debbie Ware was appointed to the Willamette Division All Star team. Jill Buse, a junior, was elected to the second team All Stars. Lynnette Holdahl also earned honorable mention. Sue Morgan and Jami Phillipson also contributed a lot to the team. These two girls will return next year to aid the team in what we hope will be another fine season.

The team's two main strong points were at the free throw line and they also played good consistant defense. They did have a little trouble scoring when they really needed the points, however.

Only three girls returned from last year's team. They were Debbie Ware, Kathy Cornelius, and Laurie O'Hogan. Kathy Cornelius was elected by her senior classmates as most athletic girl.

# JV Girls Basketball Works Hard

The j.v. girls' basketball team consisted of all freshmen girls. Their opponents were usually older and more experienced. With such tough competition, hard work was necessary to produce wins.

Coach Clark Hoss made a statement about the team. He said, "They're a super group of gals. We're having fun playing basketball and really learning a lot." He went on to say that Lisa Rust probably played the most consistant defense. The team had four top scorers. They were Kim Carroll, Elaine Holland, Lisa Rust, and Penny Hackenburger.

In their third season the girls improved greatly with a win/loss record of nine wins and twelve losses.

# Sweetheart Week Hectic

Sweetheart Week, more commonly known to alumni of West Linn High as basketball homecoming, was hectic. The week was literally brimming over with activities to keep the spirit of the student body and basketball team up. The week began with scads of Val-O-Grams to both students and faculty, and there were plenty of corsages and kisses for sale for interested customers. Momentum picked up Tuesday with the arrival of a myriad of hats. Box race competition among all four classes kept the pace rapid. Thursday brought the DECA-sponsored Talent Show for muscular dystrophy, thought by many to be the highlight of the entire week. Friday ushered in the homecoming assembly, where Sweetheart Queen Betsy Kincart and her court were introduced. The day and the week of festivities ended with a dance after the game. The junior class sponsored the dance, and most students found it an excellent way to end the week.

# Wrestlers Meet Goal

The season was a commendable one for the varsity wrestling team. The team record in dual meets was 9 wins and 17 losses. The team also competed in six tournaments and took first place once and second place three times.

One of the highlights of the season was when heavyweight Doug Ware decisioned number one ranked Charlie Brown from Canby by a score of 10-3 at the Corvallis Wrestling Tournament.

Five wrestlers went to District: Seniors Ken Pepperling at 148 and Doug Ware at heavyweight; juniors Larry Oldenstadt at 157 and Wayne Gump at 191; and sophomore Clyde Bagley at heavyweight.

In the State Tournament Pepperling took second place, losing only one match in the final round to Terry Jones of Estacada. He wrapped up his season with 27 wins, 5 losses, and 4 ties.

Ware placed third in State, losing only one match in the semi-final round by a pin to Richard Chandler from Redmond. Ware ended his high school wrestling career with a season record of 36 wins and two losses.

Varsity Coach Stan Schwabauer, who resigned at the end of the season, commented, "Our goal was to place at the state tournament, and we met this goal."

# Freshmen Lack Experience

Thirteen frosh participants made up the freshman wrestling team. They gave it all they had, but according to Coach Gary Hertzog, "They lacked the experience that many other freshmen wrestlers have." He went on to explain that few West Linn freshmen have had the chance to participate in any wrestling prior to this year.

Compared to previous teams, this year's freshmen were said to be "considerably different" in that they need to "develop a more intense desire to take part."

The best effort in the season was put out at the second Gladstone match, where although no outstanding wins occurred, a noticeable improvement in overall effort and perseverance was seen.

Freshmen Dan Norduft and Dave Ulbricht wrestled on the varsity team, and Coach Hertzog recognized Brad Brungardt as the outstanding wrestler in attitude as well as in scoring.

As a whole, the freshmen have the potential to do much for the future of West Linn's wrestling if they will work at it.

# Ski Team Grounded

Talented and enthusiastic skiers, a new coach, and no snow equals frustration. That pretty well tells the story of the season for the ski team. Unable to race until February 12, the team found the season ending March 5 with a race at Mt. Hood Meadows. Racing for the varsity girls' team were sophomore Pam Wood, juniors Denise Tylman and Leann Woodard, and seniors Betsy Kincart and Linda Kramer. The girls finished with a solid sixth place, with Wood coming in fourth.

Steve Bowerman and Rick Colarchik were high placers for the boys' team, which had a sixth or seventh placing, with Bowerman taking eighth place among the guys.

Along with the two varsity teams, there was a j.v. team, who placed "in the top five in every race," said Coach Dick Gross.

# Christmas Activities Add Sparkle

Christmas at West Linn is always a special time of year. It was no different in 1976. Yuletide activities added sparkle to the holiday season.

Decorative calligraphy posters decked the halls, and a festive Christmas tree adorned the main hall, providing a background for the week's activities quite in contrast to the freezing temperatures and fog outside.

In anticipation of the short Christmas holidays, students joined in the Elks'-sponsored canned food drive, gathering over 2500 cans, which benefited the needy in our community.

Music for all ages was featured at the annual Christmas Concert by the Music Department. The music included a 30-minute rock cantata, "The Prince Of Peace" in place of the traditional "Hallelujah Chorus."

A pep assembly was held in the spirit of Christmas. Loyal Lion fans could be cited wearing ribbons that challenged, "Jingle Those Basketballs."

Thursday night the Christmas Ball put a finishing touch on the week's activities, providing an evening of dancing to celebrate Christmas and Christmas Vacation.

TOP: Melissa Anicker and Steve Klein dance to the sounds of Rain Tree at the Christmas Ball. ABOVE: Connie Dole, seated on Craig Rogers's lap, takes a break from the dancing. RIGHT: Rob Parker and Betsy Kincart watch other couples while conversing after a dance.

# Christmas Ball; a Quiet Interlude

The Christmas Ball was held on Thursday, December 23, at 8:00. As is becoming tradition for West Linn, dancing happened in the Flavia Hall at Marylhurst College. Unlike past years, the cost per couple was lowered to $4.50 rather than the $6.00 which formerly has been charged. Perhaps it is the lowered cost, maybe just the contagious Christmas spirit that is responsible for the better turnout this year than before. Over fifty couples bought tickets to the semi-formal event, and enjoyed a quiet interlude from the hurried Christmas atmosphere, dancing to the sounds of Rain Tree.

TOP: Rocky Oetken and Tracie Willis quicken the pace for a fast dance. LEFT: April Thurber and Doug Sams share an intimate moment during a slow dance. ABOVE: Tim Schlabach and Kristi McEwen enjoy each other's company during a break in the dancing.

# Winter Activities: Mixed

The 1976-77 Winter Activities were full of fun and exciting events. They started off with the Christmas Concert. After that we had an A.F.S. assembly where there were kids from a lot of different countries.

During Sweetheart Week there were plenty of things to do-Val-o-grams, Kisses, corsages, the box race, and the DECA club put on a talent show for Muscular Dystrophy. Sweetheart Week ended with a dance where Betsy Kincart was queen. Sheryl Dole, Sandy Dodge, and Liza Parvaresh were princesses.

Winter Activities ended with the Varsity Basketball team losing their bid for state, when they lost to Milwaukie in a very close game.

In wrestling Ken Pepperling placed second in state and Doug Ware placed third in state.

# Awards Given to Athletes

The winter sports banquet honored athletes from wrestling, skiing, and basketball as well as coaches and members of the rally squads.

Outstanding wrestler awards went to Ken Pepperling and Doug Ware, who took second and third in State, respectively. Ware also the team captain and most inspirational awards. Pam Wood and Steve Bowerman won the best skier awards, Linda Kramer was most improved, and Leann Woodard was chosen "rookie-of-the-year." The most valuable award for girls' basketball went to Debbie Ware. Randy Reed won it for the boys.

# Queen Renee I

## Escorted by Craig Jones

"Don't worry about anything; instead, pray about everything; tell God your needs and don't forget to thank Him for His answers." Philippians 4:6 is 1977 May Queen Renee Story's favorite quote. The things Renee enjoys most in life are her family, her friends, and chocolate. Renee is a beautiful hazel-eyed blonde who likes to spend her spare time baking, playing tennis, reading the Bible, or with friends. She was a member of Thespians and was very involved with the West Linn Young Life Club. Renee was happily surprised when she was voted by other students to be May Queen.

May Day this year was the best ever, and the result of careful planning by many, including May Day Manager Patrice Michell.

# Escorted by Mark Sagin

Maid of Honor Lisa Wood was very active during her high school years. She was a member of J.V. and Varsity rally, Honor Society, drama, student government, A.F.S., and skiing. Her special interest has been ballet; she has been dancing for 12 years, and hopes to continue in college. Lisa plans to attend the University of Washington next fall.

Maid of Honor Lisa said that being chosen was "a fantastic honor," and that she also hopes that everyone involved considered May Day 1977 something very, very special.

# Princess Connie

# Escorted by Craig Rogers

Princess Connie Dole especially likes sunny mornings and waterskiing. September, hiking, and riding her bike are also favorites. Connie was very active during her high school years. She was involved in drama and choir, and a member of Thespians and varsity rally. Connie spent last summer in Bogota, Columbia as an exchange student. She plans to continue with school, and keep studying Spanish.

# Princess Betsy

# Escorted by Doug Sams

Being the smallest member of the court, Princess Betsy Kincart stated that she would be glad to leave West Linn High to go on to a new period in her life.

Betsy was active in many activities, some of which include Honor Society, Varsity Rally, and Ski team.

Betsy plans to attend the University of Santa Clara and study biology.

# Princess Linda

# Escorted by Dave Eng

Always on the go, Princess Linda Kramer spends her spare time camping and hiking in the summer, and skiing in the winter. Linda competed on the ski team for three years and also loves to spend time with friends.

Princess Linda plans to go to Europe and travel after graduation. Upon her return she will work to earn money for college in the fall.

Princess Nellie St. Jacques stands at 5'4", has long black hair and brown eyes. When asked her most memorable experience Nellie stated, "When I tried out for May Day and accidently fell down at the end of my skit."

Nellie would like to help in a half way house or with handicapped children, but for now she will continue to work before making a definite decision.

# Princess Kim

## Escorted by Chris Hamel

Standing at 5'2" with blonde hair and blue eyes, princess Kim Sharp describes her self as independent with a high degree of determination.

Kim has hopes of attending The University of Oregon and majoring in art. Although she anticipates the future, Kim regrets leaving West Linn High behind.

# Princess Anne

# Escorted by Scott Anderson

Princess Anne's one wish for the future is that we don't lose track of the friends that we have made at West Linn High School, when we all go our own ways.

She hopes to attend college in order to find a career that is both interesting and rewarding. Another of her goals is to travel and bring a little of the world into her life.

# Princess Priscilla

# Escorted by Eric Greiling

Throughout our years of High School, Princess Pricilla has been involved in many school activities such as Honor Society and Rally.

Priscilla's most valuable experience, working as a Nurse's aide last summer, sparked an interest in medicine as a career. She hopes to work as a Nurse's aide again this summer, and in the fall major in Pre-Medicine at Willamette University where she has been accepted with "honors at entrance."

# Queen's Ball: Finale

The Queen's Ball was held at Masonic Temple in Portland, and the theme was "Misty Memories."

The students went all out in their dress and transportation; a few couples arrived in limousines. After dancing to the sounds of 'Groove Tube' most people ended the evening by going to their favorite restaurants. Thus ended the week-long festivities of May Day, which began much earlier with the planning and coordinating of the program. By April, freshmen girls were learning to wind the traditional Maypole, gymnasts and musicians were busy learning new routines, and key people were meeting regularly to insure that this year's May Day would be the best ever. Their efforts paid off.

# Varsity Baseball Season 11-19

Although Coach Terry Pollreisz felt the team had more talent overall than in previous years, weakness in the area of pitching proved costly; while we were fifth in the league in hitting, we were at the bottom in pitching. The season record of 11-19 and league record of 5-14 reflects that fact.

Noteworthy players included sophomore John Tolman, given honorable mention by Wilco League coaches. Junior Bob Bishop, catcher, missed making first team by only one vote. Coach Pollreisz had high praise for Bishop: "Bob is such a gentleman, and he has consistently shown leadership qualities." Rick Guidos, who led his team in hitting, made prep All-American, the first West Linn player to achieve that honor.

# JV Baseball Team Hustles

The junior varsity baseball team finished the season with a 4-14 league record, and were 7-17 overall.

The Lions averaged over three errors per ball game, which can be attributed to the team's lack of a practice field.

In spite of this the Lions had seven players who hit over 300. Mike Mangold hit a sizzling .421, followed by Glen Doty's .384; Steve Goins at .324; Bob Barnes at .322; Rob Petit at .314; Kevin Holland at .311; and Jeff Menath at .304.

In the pitching department the team was led by Mike Mangold, Bob Barnes, Glen Doty, and Todd Campbell.

The J.V. team was composed of all sophomores. These players, combined with the sophomores on the varsity team, will provide a good nucleus for a winning team.

# Frosh Have Potential

The freshmen baseball team consisted of twenty ball players. Despite their win/loss record of six wins, 13 losses and one tie, their opponents only out scored them by a total of 17 runs.

Their strength this year was defense. Coach Stan Schwabauer stated, "This group of freshmen have shown some of the best potential and possibilities of any group in recent years. Many will have the opportunity to play varsity ball in the near future."

The pitchers for the team were Jeff Greenlee, Jim Zauner, Bob Theis, and Neal Bruck.

This year's freshmen had a lot of good batters. They were Bob Theis, Rod Petit, Jerry Johnson, Doug Bishop, and Rick Dimick.

# Golfers Fluctuate

The golf team started this season with high hopes, returning three lettermen from last year's winning team and sporting a young team composed of two freshmen, three sophomores, four juniors and two seniors.

The Lions were victors in seven of their first eight matches, losing narrowly to powerful Clackamas.

A course record was set in a one-stroke win over Rex Putnam. Curt Olson iced the victory with a three-foot-putt on the final hole, and Rob Kremer tied a school record with a three-under-par 32.

Victim of the midseason blues, West Linn lost five straight matches before ending the skid in a home course win over Tigard. The golfers won two of the last three matches to even their league record to 6 wins and 6 losses, 10-7 overall.

At the district golf meet, the Lions placed seventh out of twelve teams, the highest finish in West Linn golfing history. Seniors Rich Katz and Al Chase tied for medalist with five over par 79's, ending their high school careers in style.

# Boys' Track "Best in Years"

Fifty-two boys turned out for track, and many personal records were set including a win over Tigard which took 13 years to achieve. The season records were 4-6 varsity, 5-5 j.v., and 6-4 for the frosh.

Outstanding varsity competitors were Dave Clark, Bill Hawkins, Doug Perrin, and Gary Greenlee. Best junior varsity competitors included Dave Ryles, John Nichols, and Phil Burgess. Noteworthy freshmen tracksters were Cord Phillips, Matt Hyde, Bart Magee, Jim Allen, Nick Hamel, Bill Smith, Dave Weeks, Brad Lynch, Jeff Clark, and Rex Smith.

The lack of hurdles at the grade schools meant the coaches had to train hurdlers, which cost the young Lions three meets and 18 points.

# Girls' Track: Rough Season

"The girls have the talent. All we need is numbers. You don't win meets without numbers." So said girls' track Coach Ron Becker of his team. The team, made up of only 25 members, with a meager three returning from last year's varsity, ended the season with a dismal record of one and seven.

Even so, freshman Kim Carroll qualified for State in the high jump event. Senior Leann Schwabauer just missed going to State in several events. She holds the school record in the long jump and the 220. Other senior tracksters included Lauranna Phillipson, Liza Langford, Michelle Howell, and Kathy Cornelius.

ROW TWO: Coach Ron Becker, Delores Ware, Kim Carroll, Brenda Powell, Nancy Hubbard, Leann Schwabauer, Diane Howard, Liza Langford, Tammy Rains, and Assistant Coach Julie Church.

# Tennis Returns to West Linn

For the first time in about 15 years, West Linn had a tennis team. Created to give more students an opportunity to participate in spring sports, the teams were supervised by volunteer coaches Mr. and Mrs. Charles Geldaker. Nevertheless, tennis has been cut out of next year's budget.

The boys' team finished the season 4-2-1, and the girls' team finished 4-1; both excellent showings for first year competition, according to Coach Carol Geldaker.

In the finals of an intersquad mixed doubles tournament April 28, the unseeded team of Gordon Gefroh and Kathy Stone beat number one seeded Kris Geldaker and Debbie Ware 8-5. All the twelve teams entered seemed to enjoy themselves in what was hoped by the team members to be an annual event.

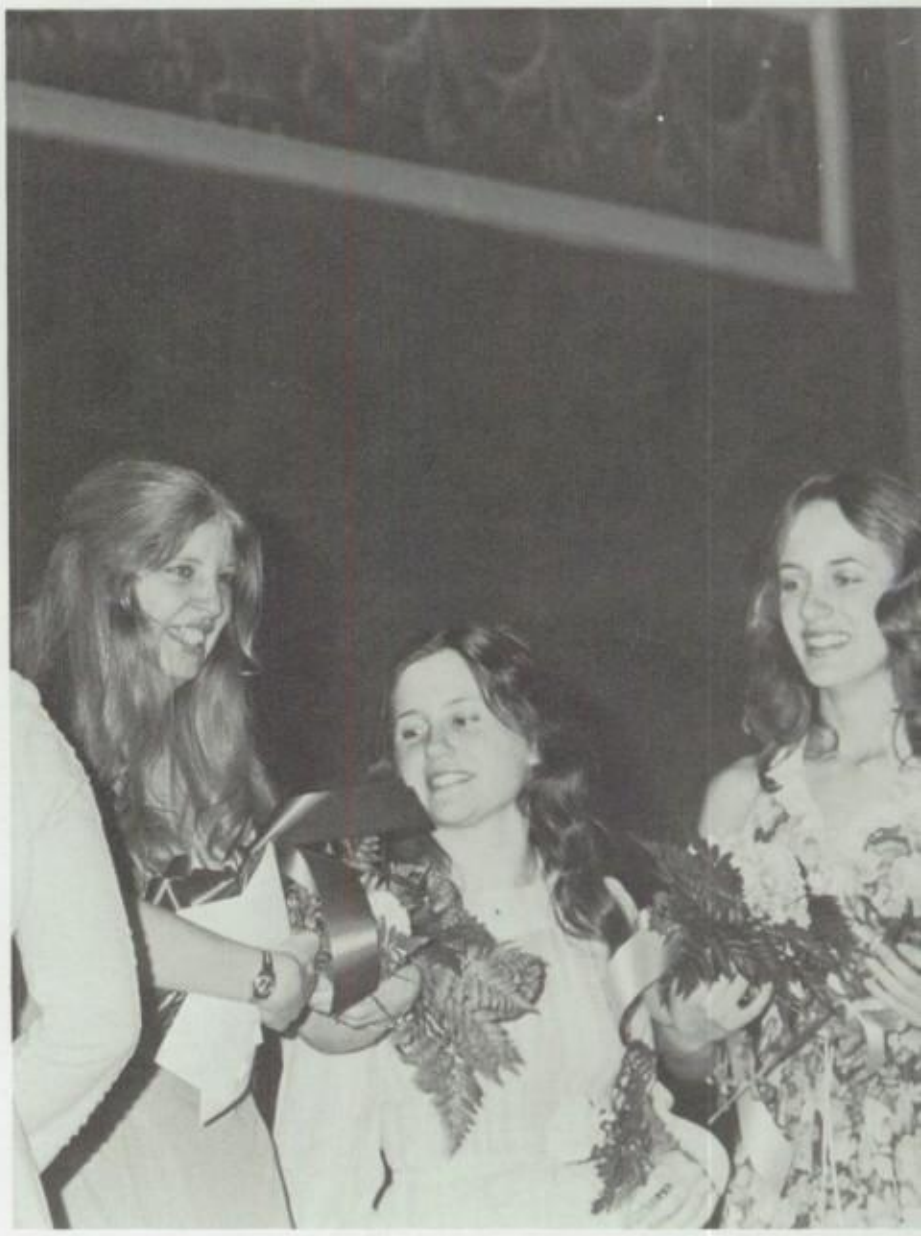
BACK ROW: Didra Carter, Ingrid McCutcheon, Debbie Ware, Gretchen Geldaker, John Doty, Kris Geldaker, Jeff Carlson, Dirk Ellsworth, and Chuck Campbell.

# Students Engrossed All Spring

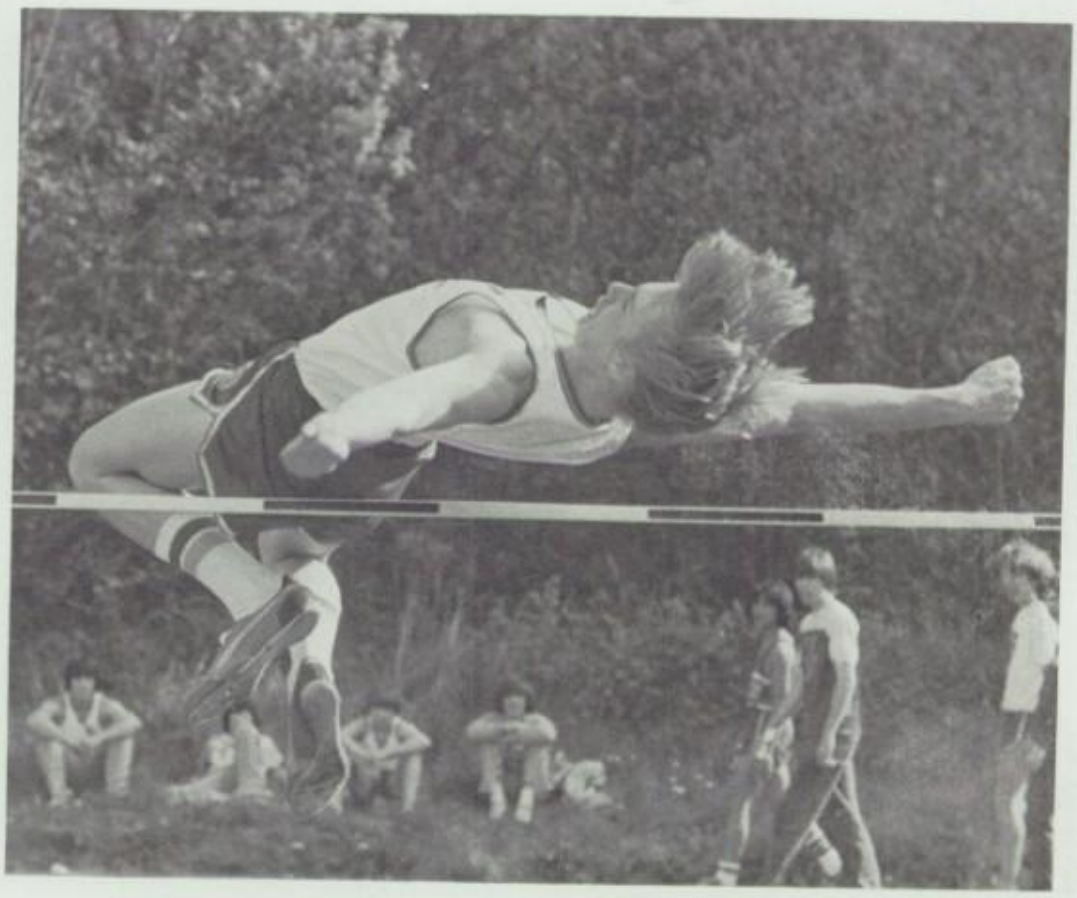
Seniors and underclassmen were preoccupied with two dates all spring. For the Seniors the day was May 27, and for underclassmen it was June 9. Seniors counted down the days.

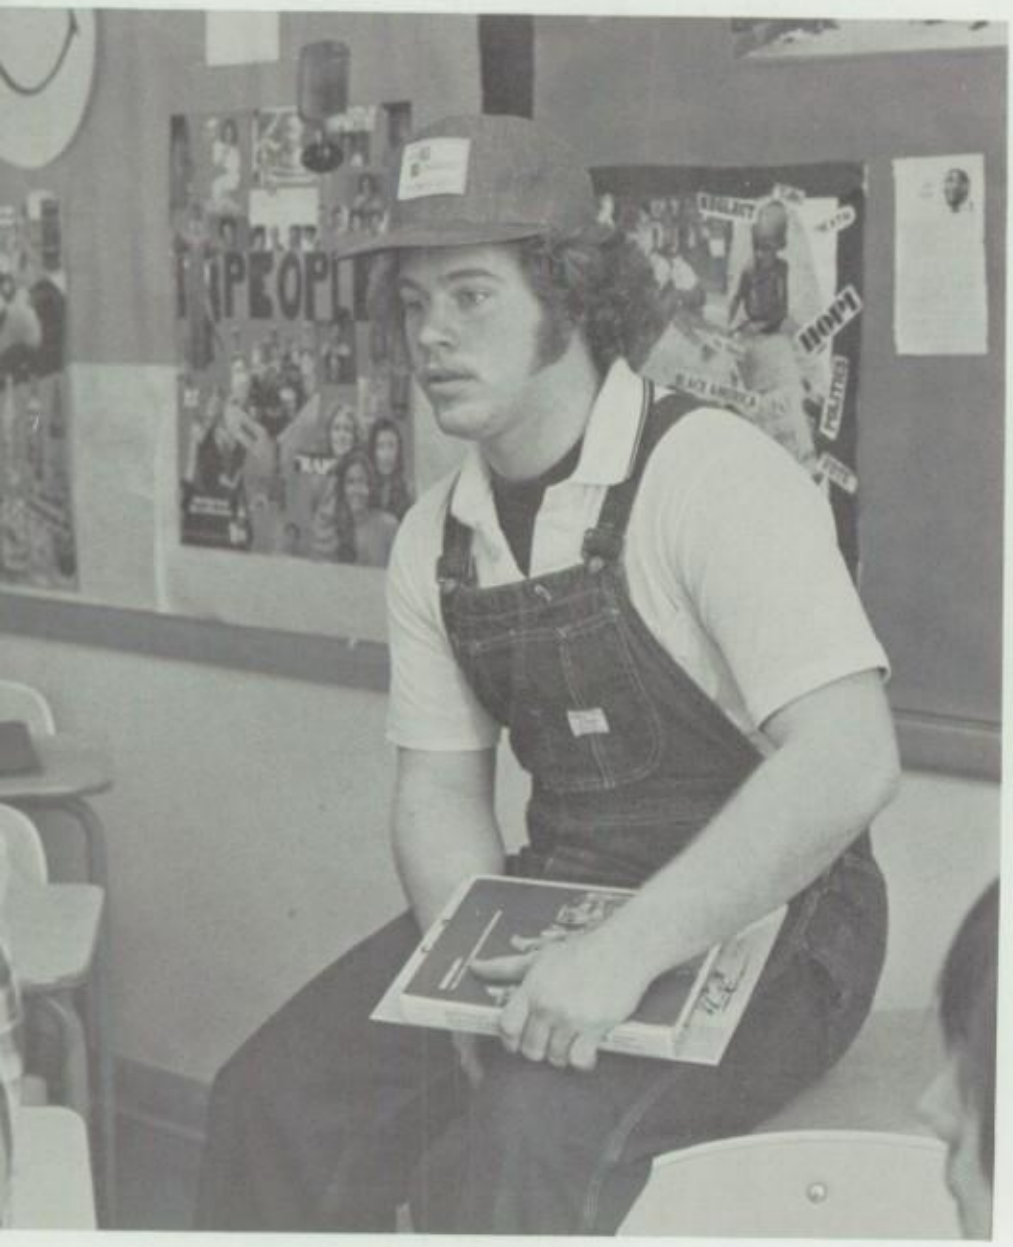
It was rumored that several teachers were counting the days too.

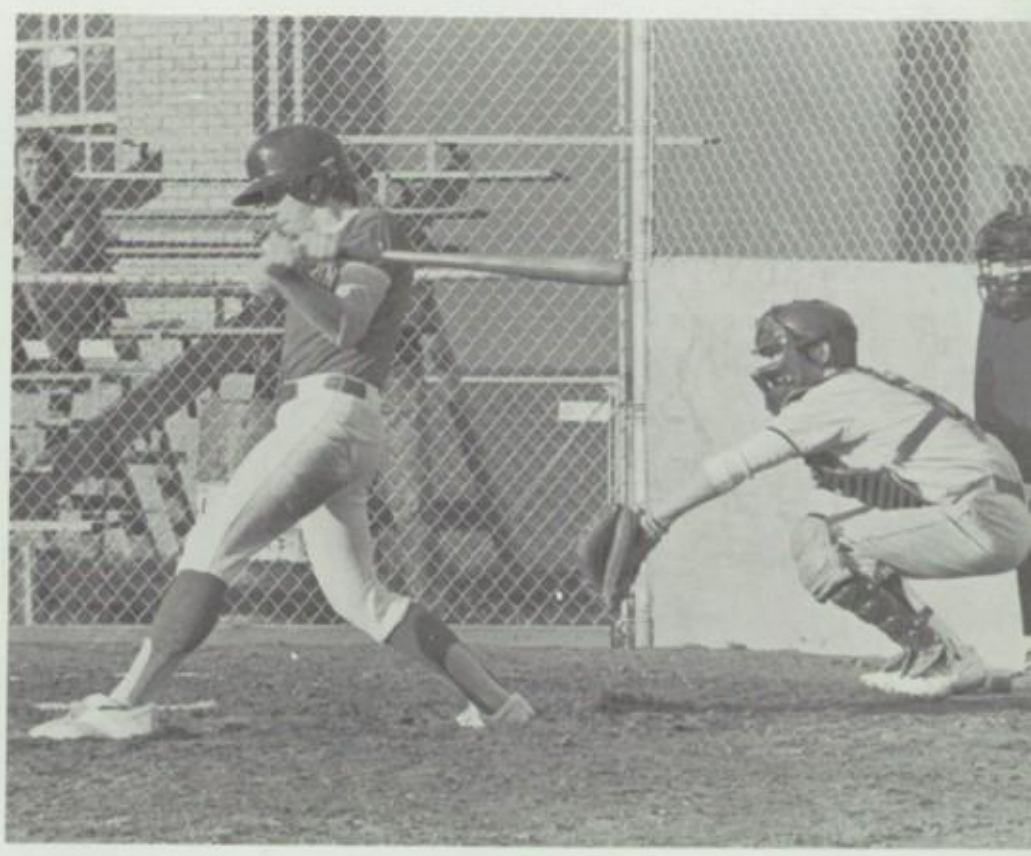
Other events included rally try-outs and for the guys it was baseball and track. For everybody there was the blood drive and the walk-a-thon for the March of Dimes. May Day and Graduation ended Spring Activities.



TOP RIGHT: Patti Michell sings to the Queen during May Day. ABOVE: Steve Potter prepares to throw a fast ball during one of the frosh games. RIGHT: Renee Story, Priscilla Wallace, and Lisa Wood celebrate after being chosen for participants on the May Day court.







TOP LEFT: Stacy Miller does her best at the rally try-outs for next year. TOP RIGHT: Tom Previs clears the high bar. LEFT: Terry Kraft daydreams during class. ABOVE: Jerry Johnson "swings" as he attempts to hit a line drive.

# Spring Desert Awards Athletes

Participants in spring sports were honored at a casual dessert in the cafeteria on May 26. In attendance was a great percentage of the 150 students out for spring sports, and many of their parents.

After dessert and opening comments by Athletic Director Bob Bishop, individual sports separated to various rooms for special awards.

In baseball, the "most inspirational player award" as well as the "most valuable player award" went to Bob Bishop.

In girls' track, the "hard luck award" went to Kathy Cornelius. Nancy Hubbard and Kim Carroll tied for the "most improved award", and voted "most valuable player" was LeAnn Schwabauer.

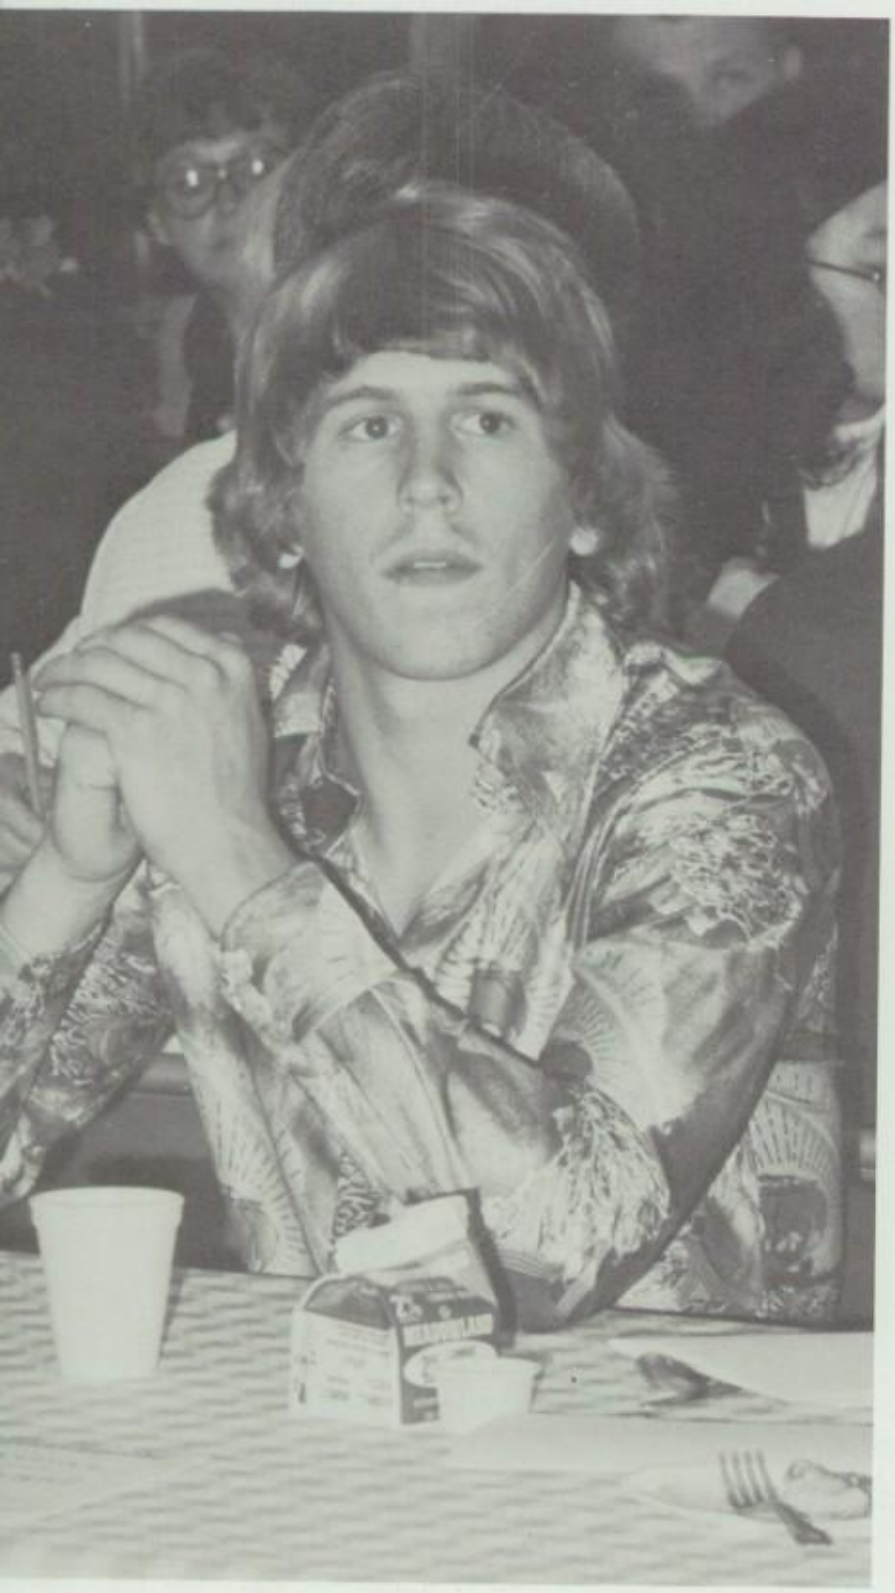
In boys' track, "the most valuable player award" went to Dave Clark, and Eric Holstrom was recognized as the most inspirational."

In Debutantes the coveted "Deb of the Year Award" was presented to a smiling Sheri Granquist.

No outstanding awards were given out in Golf.

The dessert served as a perfect opportunity to recognize the growing number of athletically talented Lions.

TOP: Coach Terry Pollreisz poses with Bob Bishop, the winner of both outstanding Baseball awards. ABOVE: Girls' track award winners, Cathy Cornelius, LeAnn Schwahauer, Kim Carroll, and Nancy Hubbard, smile with Coach Ron Becker. RIGHT: Dessert is served to a line of waiting parents.



# Banquet Honors Scholars

The second annual Scholar's Banquet, held to recognize those students who excel academically during their high school years, happened May 23 in the cafeteria. The cafeteria took on a new air, decorated in cheery red and white with geraniums scattered around the tables.

Following an invocation offered by Brian Ross, members of the Honor Society served a roast beef dinner to more than 150 guests. After dessert, the incoming student body officers were installed. Then Dr. Robert MacVicar, President of O.S.U., spoke on the "New Renaissance," his idea of a new era, which will be led by this generation. "The youth leaders of today will be the builders of the new renaissance tomorrow," he said. He encouraged students to develop intellectual, physical, asthetic, as well as a spiritual awareness of the things around them.

Mr. Hibbard then introduced each of the honor graduates, emphasizing the effort and sacrifice that each had put forth, an appropriate ending to a special evening.

# Honor Students of 1977:

# "Cream of the Crop"

Outstanding academic achievements set a-part the Honor Students as the "cream of the crop" in the class of "77. This title was well deserved, for it required serious dedication as well as consistant success in school work.

Honor graduates have attained an over-all grade point average of 3.5, while ranking in the top ten percent of their graduating class. In addition, each dedicated individual had to pass two of the following courses or combinations: Advanced Placement English, Math Analysis, Physics, Economics and Sociology, Economics and American Political Behavior, or Sociology and American Political Behavior.

Twenty four students worked throughout their four years at West Linn to achieve this Honor. It is hoped that this success will lead to many future successes for all of them.

HONOR STUDENTS: ROW ONE: Brian Ross, Stacie Koozer, Bob Bailey, Ken Greene, Mark Bradley, Eric Greiling, Anne Stein, Craig Rogers, Cherie Olsen. ROW TWO: Kathy Stone, Richard Katz, Priscilla Wallace, Anita Amburn, Kathy Willis, Lisa Agrue, Kim Sharp, Lisa Wood, Betsy Kincart, Sally Hill, Jean Johnson, Sheri Granquist, Ann Wilson, Tom Westmoreland.

# Commencement Seniors' Finale

Commencement exercises took place indoors this year, due to threatening skies outside. In addition to the 228 graduating seniors, parents, families, friends, and faculty crowded the gymnasium.

Green and gold chrysanthemums decorated the platform, as Laurie Sellon sang "Feelings" to the audience. Speeches by class salutatorian Craig Rogers and valedictorian Priscilla Wallace represented sentiments of the graduates in calling to mind memories and anticipating the future of each member of the class of '77.

The climax of the program occurred when, individually, the seniors received their diplomas. Smiles, tears, and cheering were among the emotional reactions to this special moment.

As a finishing touch, class president Doug Sams, upon completion of the ceremony, led the graduates in changing tassles, after which the wild group filed out to celebrate.

# JUNIORS

As this school year passed it was full of change and new experiences for me as well as many of us. We accomplished much as a class, including two fine dances; one being Basketball Homecoming, and the other a memorable Queen's Ball. We owe special thanks to Mr. Clark Hoss for his help in fund raising and for being the advisor of our class. Other accomplishments included the second winning of the annual basketball spirit plaque for our class, and the sale of Val-O-Grams during Sweetheart Week. Looking back on this year I'm sure we all share pride in our class, and I hope next year is prosperous for all.

# SOPHOMORES

This year's sophomores were a very spirited group of people. They showed this many times over with enthusiasm used in every activity throughout the year. Striving toward a full and successful future, they were one of the best classes ever to belong to this school. Although split into many small groups, when we wanted to get something done, we could all get together and do a fantastic job. In the next two years, the class of '79 will prove just how powerful we are. It's been a great year!

# FRESHMAN

West Linn had an enthusiastic and spirited freshman class in "76 and "77. "One of the biggest freshmen classes, they seem to have adjusted to the high school routine very well... the first week seemed like a few months," commented Principal Larry Hibbard. The freshmen class was unusually large; there were 315 new Lions this year. Class president David Ulbricht commented, "I felt little at first, but after a couple of weeks, I began to fit in."

A big class means lots of spirit, and they've got that. This year has been a preview of what can be expected from these spirited students.

# Administrators Make Changes

The administration made several changes in an attempt to improve West Linn High School. "It has been a year of growth and learning. Our greatest advancement was that we had the smoothest start of school since I came here," said Principal Larry Hibbard when asked to comment on the year. He also stated that everyone learned more about the TA program.

Some of the major improvements included the elemination of crowding during class scheduling. Scheduling for second semester classes was tied to the Elks' canned food drive. The TA class that collected the most cans was given the opportunity to schedule first. The amount of cans brought in was triple the amount compared to last year.

As the city of West Linn continues to grow, we all continue to improve.

# Classified Personnel Necessary Segment

Preparing a meal which is nutritious, inexpensive, and satisfying to the vast majority is probably the most strenuous endeavor of our patient cooks. Writing up the roar, special announcements, excuses, and town passes just skims over the tasks of the women in the office. The helpful secretaries are a necessity in the lives of everyone for numerous reasons. Broken windows, jammed lockers, dirty floors, tools being borrowed and friendliness are just some of the many activities which makes up a hard day's work for the loyal and trustworthy custodians. These people are greatly appreciated around W.L.H.S. for all that they have contributed.

TOP: Head custodian John Holden takes a well deserved break. ABOVE: Custodians Jeff, John, Bob, Ike, and George discuss the day's work load. ABOVE RIGHT: Cooks Eldora Groves, Irene Miller, Madeline Boettcher, Violet Olmsted, and Kay Thackery begin another meal. RIGHT: Mrs. Cari Kraft looks up to see the reason for another interruption.

# Amplifier Came a Long Way

Composed primarily of rookies, the Amplifier staff came a long way. Hampered by a severly limited budget, the staff consistently strived for higher goals and improved quality. Several staff members worked during their lunch hour on paste-up days to ensure that the newspaper was made available to students and faculty.

People who steadily contributed more than their share include Jim Burkhead, editor first semester; Susie Hann, page editor; Eric Jones, editor second semester; and Rob Kremer, sports editor.

Working cohesively as a tight-knit group, the staff produced "perhaps the best series of Amplifiers in West Linn High School's history," according to adviser Carol Benson.

# Yearbook Class Difficult

The first semester of the yearbook class presented many problems. One of these problems was that the class was crowded and little work was accomplished. But by the second semester the size of the class was cut in half, and the wheels began to turn.

The people responsible for keeping the class going include: Melonie Simnitt, who served as copy editor and filled in the gaps left by less conscientious staff members; Vickey Allsup, who always met her deadlines because she took her work seriously; and Brian Ross, who took care of financial problems, making sure we had enough money to print the annual.

"The biggest problem facing the staff was a lack of commitment on the part of several of the students, and this in turn hurt the morale of those who wanted to do a good job," commented Carol Benson, yearbook advisor.

Dear "Toot" breath.
Nice. It's been a real adventure(?) putting up with you for a year, but I suppose it's worth it. The rest of the time you've been a real "pest" such as right now! You better hurry up & get busy or look busy & quit blowen bubbles in your Milk. anyway this will teach it if you can't cute you are real bratty but a brat and I have to go. Have fun reading this.

if you can read this your too

Loser!

Love, Bratty

Douglas, never to know what these things are to say I say stop just stop ya hear one another

Doug-
for a brother -
you're pretty cool.
Have a good 1
Love ya
Sara

I agree with what you wrote in my card, and stop bugging me you bozo.

Love ya

Hello there
Sweetie! Have
fun during a pig
